

Borough of Kennett Square

December 17, 2014

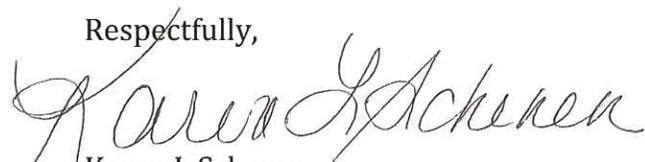

Dear Resident,

Per the article in the Borough's 2014 Winter Newsletter, a "New Solid Waste and Recycling Hauler is Coming to Town", Borough Council awarded the new Municipal Solid Waste and Recycling Collection Contract to A. J. Blosenski of Elverson, PA. This new contract is a five year contract, 2015 through 2019, with two - one year options.

Beginning in January, 2015, your residential solid waste and recycling will be collected by A. J. Blosenski. For both aesthetic reasons and convenience, A. J. Blosenski will be collecting both the solid waste and recycling material along the public alleys for all residential properties that have alley access. **Beginning with the first collection on January 6, 2015, please place both the solid waste and recycling material along the public alley that abuts your property.**

This is an exciting time for the Borough but as in any new venture we may experience a few "bumps" in the beginning. We kindly ask for your patience as we move forward and that you promptly report any issues to Borough Hall, i.e. missed collection, missing trash and/or recycling container, etc. Our number is 610.444.6020 or you may email me at kscherer@kennettsq.org.

Respectfully,

Karen L Scherer
Borough Secretary
